Simple price crossovers Price crossovers are one of the leading moving average trading forex strategies. A simple chart price crossover happens when a price crosses below or above a moving average, signaling a change in trend. Using two moving averages Other forex trading techniques use two moving averages: one shorter and one longer.

As you can see, we have all the components of a good forex trading system. First, we've decided that this is a swing trading system and that we will trade on a daily chart. Next, we use simple moving averages to help us identify a new trend as early as possible. The Stochastic helps us determine if it's still ok for us to enter a trade after a moving average crossover, and it also helps us avoid oversold and overbought areas.
