There are many strategies for solving a cryptoquote successfully and improving your time. Syndicated puzzle author Denise Sutherland recommends looking at one-, two- and three-letter words first. Start with any one-letter words, since there are only two words in the English language that are spelled with one letter: "I" and "a." And because all two-letter words include a vowel, thinking about them next is a good strategy, as you may be able to identify or eliminate a few vowels quickly.

RoboForex demo accounts are different from real ones in that you don't need to deposit any real money for investing on them. In all other aspects, demo accounts are fully identical to RoboForex real accounts. This is why using a demo account is one of the most powerful ways to test your investment strategies or EAs in real market conditions.
