Weve changed our name from Dominion Web Solutions to become Trader Interactive. This change was a decision to leverage the strength of the trader brand while reflecting the companys focus on online interactions in both the business to consumer and business to business marketplace.

As of mid-2017, Coinbase was supporting translations in eight languages and operating in 32 countries, mostly in Europe and North America. However, as our international growth accelerated in 2018, our engineering team began facing technical limitations that would hinder our international strategy, thereby limiting our ability to make crypto accessible to all.

Such glitches should not be present in any system. Of course, Coinbase have so many customers they only need to scam a small proportion to make easy money. So signing up to Coinbase is a gamble, chances are you will be ok but for, say 1% of customers, your account will be chosen to be emptied and you can kiss you fiat and crypto goodbye!
