Coinbase lied to me when saying they got request from me but they could not to prove it so far. For your information: if someone is stealing your money, he will never send any request because to get approval he must verify his location, 2FA phone, send a link for a LinkedIn account, send a Bank Statement and it takes about 2-4 days. I asked Coinbase send me all verifications for that request, but they could not provide me with any.

The argument centres on whether cryptocurrencies should be classified as securities and the answer could have major ramifications for the way the world of digital assets operates going forward. This is because anything classed as a security is regulated in the US by the Securities and Exchange Commission ( SEC ) and in the UK by the Financial Conduct Authority (FCA).

The lawsuit follows enforcement actions by the SEC against various startups that had Initial Coin Offerings (ICOs) which sold assets often called cryptocurrencies to the general public. A major issue in these cases was whether the assets were securities. The SEC said yes.
