There are no fees for crypto deposits. Trading Fees. If you do not use BNB (Binance Coin) to pay your trading fees, each trade will carry a standard fee of 0.1%. Using BNB for transaction fees applies a discount to your trading fee. By default, if you hold BNB in your account, your trading fees will be automatically subtracted from your BNB balance.

Meaning, the minimum fee that you'd pay will be 0.5%, no matter what type of a cryptocurrency you might be trading. Naturally, these fees can go up higher - specifically, they may reach 1.49%, if you're trading one cryptocurrency for another. Purchasing cryptos with fiat money, you will need to pay a fee of up to 3.99%.
