Eminents BDO Trading Guide. Trading is a foundational skill for any real life skiller. Trade is one of the biggest money makers in the game, and it completely changes the way you are able to play. Trade can be a big separator between an intermediate and endgame player. That said, Trading is also a huge trap that can really hurt new players.

Copy trading is a sub-category of social trading however the services offered by social trading and copy trading networks differ in several key aspects. Social trading is a general classification of a type of trading technique, whereas copy trading refers to those platforms that allow traders to automatically copy the trading signals of other investors and create a portfolio of traders.

The goal of copy trading, like regular trading is to open positions on various financial markets including FX, CFDs on Stocks, Commodities, Indices and Cryptocurrencies, and then to close the position, hopefully once the value of the asset has moved higher. Although, much like trading for yourself, here you can also incur losses too.
