When you set up an account with a crypto exchange, you'll typically be asked to go through the know-your-customer (KYC) process. This is a standard identity verification that major exchanges.

By: Editorial Staff, Date: July 27th, 2021. For years, financial institutions have been required to abide by Know Your Customer (KYC) regulations. These regulations require financial institutions to make an effort to verify the identity, suitability, and associated risks of anyone they do business with. While the overall financial market has been abiding by these regulations for some time now, the rapidly emerging cryptocurrency market is still lightyears behind.
