In investing, the trend is your friend until it isn't. That proved true for digital currencies last year, and it could very well define the outlook for the best cryptocurrencies of 2022.

Possibly one of the best known digital currency exchanges is the one that was started by Tyler and Cameron Winklevoss that being Gemini. What differentiates Gemini from most other exchanges is that they are both a fully licensed company and also fully regulated company too, and as such they do have to adhere to the same set of standards in regards to their operation as a banking institution does!
