Binance, being the largest and most famous cryptocurrency exchange in the world with its own two forms of cryptocurrencies, has a business model that makes the company a highly profitable enterprise. The company earns its profit by trading fees, fees from its broker program, interest on loans, stock token spreads, mining services, interchange fees, cloud offerings and profits from investment.

UFX Broker Reviews. A review of this broker is quite interesting, as they have taken a different approach to Forex investing and trading. UFX has a unique trading platform as you can see in the screenshot below. Running along the side of their trading platform is what they call MassInsights.

UFX Review. UFX is an online forex and CFD trading broker that offers over 500 assets on its proprietary platform and MetaTrader 5 (MT5). They provide clients with daily market analysis, signals and a selection of other trading tools. However, they dont have the tightest spreads and their fees are very high when compared to other online brokerages.
