The good thing about crypto trading is that you are not required to maintain a required minimum amount of deposit in your wallet. The transaction fee, more often than not, is deducted as a percentage of the amount of your initial capital. This is why you do not have to be bothered by the investment money required in crypto trading.

Getting low transaction fee on Binance is easy, but kind of tricky somehow. Binance is one of the best exchange platforms with lowest fees among other exchanges in the market. It allows close to 0.1% trading fee for users with a monthly trading volume less than 50 BTC, and much more less for those trading higher than that volume. I myself have been using Binance for trading for over some years now, and I cant remember noticing the amount of crypto coins am paying as fee paid yet, some .
