We immediately fixed the flaw and have worked with these customers to regain control of their accounts and reimburse them for the funds they lost, a Coinbase spokesperson said on Friday. The hackers needed to know the email addresses, passwords and phone numbers linked to the affected Coinbase accounts, and have access to personal emails, the company said.

If you'd still like to close your account, please follow the steps below. Close your account. Please note that it is only possible to delete your account through the web version of Coinbase.com. To close your account, select Close account near the bottom of the Profile page. You'll need to have a zero balance before you can close your account. If you still have a remaining balance in any of your wallets, you'll need to send your funds to an external wallet or fellow Coinbase user.
