Why we chose it: We chose Binance.US as the best crypto exchange for low fees because it features one of the most generous fee structures across all the trading platforms we considered. Binance is the worlds largest cryptocurrency exchange by trading volume, and its domestic counterpart, Binance.US, offers many of its parent companys advantages.

Binance was initially based in China, but later moved its headquarters out of China following the Chinese government's increasing regulation of cryptocurrency . In 2021 Binance was put under investigation by both the United States Department of Justice and Internal Revenue Service on allegations of money laundering and tax offenses.
