Moving averages are among the most popular Serum price prediction tools. As the name suggests, a moving average provides the average closing price for SRM over a selected time period. For example, a 12-day simple moving average for SRM is a sum of SRMs closing prices over the last 12 days which is then divided by 12.

CryptoVantage Conclusion: Binance for International, Coinbase Pro for USA. Binance and Coinbase Pro are both great options for traders, but there is a clear difference in both availability of crypto assets and fees that makes Binance a better option between the two exchanges. However, since Binance is not available for US citizens (you have to use Binance US, which has less crypto options but the same fees), Coinbase Pro is the better option for US users as It has more crypto assets than .
