I plan to sell a decent portion of my crypto this summer prior to this happening. For those of you that also plan to sell, will you transfer your crypto out of BlockFi and sell via Coinbase, Gemini, etc. or sell directly from BlockFi? Personally, I like the features of Coinbase Pro where I can set stop losses.

Open a demo account. A demo account is the best way for newcomers to explore trading. The demo account's functionality is similar to the real account one with the exception that you trade with virtual money. Working on a demo account provides you with Forex trading experience using all the trading features provided by the MetaTrader 4 platform. You can trade in real time and learn how to analyze the markets using technical indicators without risking your money.
