Rubic's routing system is now live! Today we are happy to introduce Rubic's routing system for BSC and Ethereum networks! This solution will allow users to trade for any pair on these networks! However the main advantage is the ability to calculate gas price and show users the best optimised solution with paying the least amount of gas.

"The Warner Bros. movies and TV shows will likely be just the beginning of Plex's ad-supported content, as the company plans on working with additional media partners to expand its catalog. So while the main draw of the app will still be the ability to stream a personal media library, it may eventually become a centralized app for on-demand content across networks."
