Coinbase Wallet FAQ

KYC is an extremely vague term, and there is no list which exhaustively details all possible ways to carry this out. This is no different when investigating whether or not is possible to buy crypto without KYC. As a result, most reputable organisations implement industry best-practices and processes developed internally.

A trading similar is essentially a copy of the stock market on a virtual trading platform. These virtual platforms provide market data like you would generally see in your active trading account. But theres one big difference. In your active trading account, your trades are made using your money. So, when you lose, you lose real money.
