Some Simplex Bitcoin reviews mention this, but its actually one of the main (if not the main) issues that the company in question aims to combat - hence the de-frauding part. Simplicity is the Name of the Game One of the more prominent features of Simplex thats echoed by multiple user Simplex reviews is that the service is very simple to use.

This API lets brokers build a bridge to connect their backend systems to the TradingView interface, so that broker partners then can be supported on the TradingView Web Platform. The integration is very straightforward. The broker builds a REST Web API on its own servers based on our specification so that it can be connected to TradingView. TradingView provides a sandbox and required technical assistance to get your TradingView Web Platform integration started.
