Coinbase Pro Trading Bot This trading bot developed by 3Commas for the Coinbase Pro exchange offers an advanced management interface for all crypto trading strategies. With the help of this 3Commas cutting-edge bot you can build automated trading strategies that employ a wide range of advanced order types not offered to users by the exchange.

In order to connect your bot to Coinbase Pro, you need an API key. Think of an API key as a bridge between Cryptohopper and the exchange, which allows your bot to do things like place automated orders and read your balance for its calculations. Step one. Go to the exchange website, and create an account if you haven't already. Step two. After you have logged in successfully, click on your name in the top right corner, and click "API";
