bitbank, Inc. runs one of the first and largest cryptocurrency exchanges in Japan. It has been part of the initial batch of eleven exchanges approved by the Financial Services Agency in September .

As the dip continues and fear gets the better of you, it's important to find an exchange you trust. Platforms don't always serve the best interest of the customer. Rather than being a neutral party to transactions, like a stock exchange, a crypto platform can trade against customers, meaning clients are at risk of being treated unfairly.

A crypto screener like Cryptolume is a tool that can be used to scan for trading patterns that you typically use. With a crypto screener you can then find all coins which currently are outlaying that pattern on any given exchange that is supported and then you'll be able to find information a lot faster than other people.

Crypto-asset or cryptocurrency investments are subject to market risks such as volatility and have no guaranteed returns. Please do your own research before investing and seek independent legal/financial advice if you are unsure about the investments.
