Are Bitcoin demo trading accounts free? Generally yes all the platforms on the list require the customer to sign up for an account before using their demo features. So the truth is, it costs no actual money. but you will be supplying your private information to companies that have an obligation to supply the IRS with any information they request.

Some Bitcoin trading sites offer trading in Demo Mode for newbies or a Demo Account, which is pretty much the same. Trading with play money helps you to understand the functionality of the platform and simply get used to using it. If you feel secure because you are familiar with placing orders and the way the system reacts and executes those orders, then you are ready to trade with your real Bitcoin.
