Trusted forex brokers who are collecting money from clients and providing platforms for currency trading always ensure that their websites are fully functional in all respects. The next important.

I went through FTX Exchange to do a SEPA withdrawal, worked fine, though they don't have instant transfer like binance so expect it to take 2-3 days to clear into your account. Have to complete KYC, of course. To move your funds they support BUSD in bep2 version so thats a cheap way to withdraw from binance and deposit into FTX. Recommend!

Trading with a trusted forex broker is crucial for success in international currency markets. As a currency trader or investor, you may have specific needs related to which platform, tool, or research requirements you have. Understanding your investment style can help determine which fx broker will be best for you.

All my instant SEPA took like a minute, but limited to 2k EUR per day (maybe just my bank). Above, it switches to non-instant SEPA, which take a few days. I had better results (no need to reach binance support) whenever I didn't append anything to the reference code. Can't tell if related to weekends or not. 2.
