But then, updating your Android tablet to the latest OS version can be a tricky task to execute especially, if you are already using something as new as Android 9 and haven't yet upgraded the device. In the subsequent sections, I shall list some of the best and most productive ways to update an android tablet in the least possible time.

Get the latest Android updates available for you. When you get a notification, open it and tap the update action. If you cleared your notification or your device has been offline: Open your phone's Settings app. Near the bottom, tap System System update. You'll see your update status. Follow any steps on the screen.
