Binance commands a huge share of the crypto exchange market, boasting nearly 8 million users and counting. The site is so popular, its previously had to temporarily halt its acceptance of new users so it could update its infrastructure to accommodate the surge in traffic. Because the sites visitors continue to increase in number, you may want to have another exchange up your sleeve in case of another temporary ban in new users.

IMO, kraken is the best exchange. It's the mix of many factors: They don't have as many altcoins as Binance but still many, they offer staking for some coins (although not many and not the best rates), they are a registered company in a country with a solid legal system and with real offices and known people (unfortunately that means you need to do their terrible KYC process), you can buy .
