A Beginner's Guide: What Is Filecoin (FIL) and How Does it Work?

In order to transfer coins, you will need to open the Edit Trade window in the Portfolio. Under Invested, eligible users will have an option to transfer. Positions will be closed once the transaction is completed. It can take up to five business days for eToro to process the transfer request. We may ask you for further documents in some cases. From the moment that the request is processed, it can also take additional time for the coins to appear in the wallet.
