"2022 will be a big year on the regulatory front, no doubt," Luno's Ayyar said. "The interest from various governments, and especially the U.S., to bring regulation into the crypto space has not. But then, updating your Android tablet to the latest OS version can be a tricky task to execute especially, if you are already using something as new as Android 9 and haven't yet upgraded the device. In the subsequent sections, I shall list some of the best and most productive ways to update an android tablet in the least possible time.
