The pros of trading Binance Coin with leverage: You would like to use a small amount of cryptocurrency to enter a bigger trading position. You have a high risk tolerance and would like to diversify your trading strategy beyond spot trading.

Appearance: This pattern is made up of two candlesticks. The first one is bullish (green) while the second is red and engulfs the other. In other words, the second candle's body is bigger than the first one. With gaps between closing and opening prices rarely seen in the crypto, this pattern occurs at the top of an uptrend.

Candlestick charts are a major part of reading crypto charts. Every candle has a main body in either of the colors. You can also see single lines protruding from above and below the main body, called shadows. The body shows the opening and closing prices, and the shadows depict how high or low these starting and closing prices have risen or fallen.
