Know Your Customer (KYC), or sometimes referred to as Know Your Client, is a process by which a business or agency verifies the identity of its clients. The process is mandatory for banks, lenders, insurance providers, and other financial and monetary companies of all sizes. KYC is a data-driven process that allows companies to ensure that their customers are who they claim to be, to ascertain the suitability of a customer for their services, and to avoid any malicious or criminal activity .

KYC, which is short for "know your customer" as well as "know your client," is the process of verifying a customer's identity. It's most common with financial institutions and financial service.

KYC-collecting exchanges are honeypots for hackers to steal personal identification from its customers. According to the blockchain analysis firm Chainalysis, exchanges faced more successful attacks in 2019 than in any other year since 2011. Your identification documents are often very valuable to people who commit identity fraud.
