The Bee Network is a cryptocurrency or token that you can earn using your phone. It sounds simple and, with digital currencies being more popular than ever at the moment, it could have huge potential. There are now over 8 million people mining it on their mobile devices! But if youre wondering if the Bee Network is legit, youre not alone.

The Bee Network will utilize open internet and DApp (decentralized application) to introduce mobile games, social network, e-commerce, and lifestyle services. In an article by the medium.com, written on 520 International Bee Network Day, the network has 12 million active users in less then 5 months.

Online trading is quick and easy, but online investing takes time. With the click of a mouse, you can buy and sell stocks from one of the many online brokers offering low-cost trades. Although online trading saves investors time and money, it does not take the homework out of making investment decisions. You may be able to make a fast trade, but making wise investment decisions takes time.
