Bittrex Review [2021] - Shut Down or Legit in U.S .

So I lately invested in cryptos as a long term investment, but soon realized that there is massive potential for day trading as well. If someone starts trading with \$1,000 and makes 1% profit per trade (which is not even that much in crypto - it happens multiple times a day on most coins, even in the current crash), all someone really needs is 700 trades due to the power of compound interest.

Crypto exchange business is regulated to some extent in most of the EU countries due to AML 5th directive, which means that eventually it will be regulated in all countries. When setting up, make sure you are informed about the regime in your jurisdiction as no one will open an account for a regulated business without a license.
