The opportunity to become the dominant social network, social media blockchain rather, is so huge that there are many others vying for that crown. The safest strategy of all would be to get a small allocation to a few different social media blockchains so that you've a higher chance of having a position in whichever one or group of networks wins out.

We immediately fixed the flaw and have worked with these customers to regain control of their accounts and reimburse them for the funds they lost, a Coinbase spokesperson said on Friday. The hackers needed to know the email addresses, passwords and phone numbers linked to the affected Coinbase accounts, and have access to personal emails, the company said.
