Margex is a cryptocurrency exchange registered in the Seychelles. It has been active since 2020. Margex Advantages. On its website, Margex highlights the following factors as main advantages with its platform: privacy, secure trading and transparency. These factors are all important of course. Affiliate Program. Margex has an affiliate program.

The exchange platform (i.e. Binance) acts as a middleman - it connects you (your offer or request) with that other person (the seller or the buyer). With a brokerage, however, there is no other person - you come and exchange your crypto coins or fiat money with the platform in question, without the interference of any third party. When considering cryptocurrency exchange rankings, though, both of these types of businesses (exchanges and brokerages) are usually just thrown under the .
