Know Your Customer (KYC), or sometimes referred to as Know Your Client, is a process by which a business

or agency verifies the identity of its clients. The process is mandatory for banks, lenders, insurance providers, and other financial and monetary companies of all sizes. KYC is a data-driven process that allows companies to ensure that their customers are who they claim to be, to ascertain the suitability of a customer for their services, and to avoid any malicious or criminal activity .

KYC stands for Know Your Customer. In essence, its a set of regulations that require financial institutions to identify their clients . Naturally, cryptocurrency exchange platforms do fall under the umbrella of financial service providers, too.

Coinbase Pro as the name suggests is a much more professional trading platform delivering significantly more information and flexibility in buy and sell options vs Coinbase. The range of options is both its strength and weakness, since it gives a significant amount of flexibility and lower to no fees but that comes at the cost of complexity.
