For starters, when we buy a stock on eToro, we don't buy it on the market directly. In fact, we buy a share which in reality belongs to eToro. They are the shareholders of the company, not us. This is why it is impossible to transfer our shares to another deposit account, because we are not really the owner of our shares.

They belong to eToro.

The good thing about crypto trading is that you are not required to maintain a required minimum amount of deposit in your wallet. The transaction fee, more often than not, is deducted as a percentage of the amount of your initial capital. This is why you do not have to be bothered by the investment money required in crypto trading.
