OkCoin is brilliant. 5 stars if I were able, or were able to figure out how to check into and modify my open orders from any spot trading page. I can only see or change an open order trade from the page the order is placed. I open multiple trades, sometimes I cant remember to notate 100% of my activities.

When you reach out to Okcoin, you might encounter mediocre customer service. The average score on Trustpilot is 3.8 out of 5 stars, thats with several hundred customer reviews. Plus, The College Investor team had a difficult time receiving timely responses to questions.
