KYC is an extremely vague term, and there is no list which exhaustively details all possible ways to carry this out. This is no different when investigating whether or not it is possible to buy crypto without KYC. As a result, most reputable organisations implement industry best-practices and processes developed internally.

So, in this context, Storj is worth buying. Is Storj a good investment? Storj is, just like all other cryptocurrencies, a risky investment. It does have higher probability of going up than down because of the good use case, well-designed tokenomics, active community and a solid team behind it. How much will Storj be worth? For the short-term future, it could reach \$1.86.

Would it be worth it to be a storj host? : storj

Coinbase Ventures has a core early-stage investment practice with investments from \$100,000 on the low end up to \$3 million. Its intent is to be part of the first institutional round. We want to see more company formation, because we think that more companies in the space, experimenting with various business models on these crypto protocols, is going to accelerate innovation overall, Aggarwal said.
