Open a demo account A demo account is the best way for newcomers to explore trading. The demo account's functionality is similar to the real account one with the exception that you trade with virtual money. Working on a demo account provides you with Forex trading experience using all the trading features provided by the MetaTrader 4 platform.

All you need to do is quickly open an account with Forex.com and then enter your login credentials into the MT4 platform - which you can access online or via desktop software. Once you do, you'll then have access to £10,000 in demo account funds.
