

TurboTax is taking steps to streamline the crypto community's experience this tax season. We've built a solution that allows you to import transactions from Coinbase to TurboTax, with plenty of help and resources along the way. Before, you were required to manually enter each taxable transaction, which could take hours.

TRON (TRX) price prediction: will it make further gains?

There is a disconnect between what turbotax wants and what it's partner (coinbase) provides in the CSV. Bannedrock described it very well. The headers are creating an error because they are not what turbotax expects for the columns. This is going to be quite time consuming for quite a lot of people.
