XE Boasting to be one of the most renowned global foreign exchange platforms, XE is a professionally designed website that is easy to use and navigate. The platform offers a broad range of other financial services besides being among the most reputable and trusted international foreign exchange website.

Decentralized exchange or DEX is a cryptocurrency exchange market or platform that operates independently without any central authority or third-party intervention for holding or transfer of customers funds. Peer to peer or P2P transactions occur between interested parties directly through an exchange of crypto assets or cryptocurrencies. All these transactions take place through a decentralized escrow account and smart contracts.
