Farmland is an asset class you can actually see and touch a world apart from traditional investment vehicles. Crowdfunding for farmland allows investors to take a hands-off position on farmland, allowing them to enjoy returns without having to become directly involved in operations. Nonetheless, the model has its limitations.

Getting access to free stock charts is great, but theres another tool that can really help you in your trading, thats stock screeners. With screeners, you can enhance your watchlists and narrow down on stocks with very specific characteristics. Finviz excels with its free Stock Screener, mainly on US stocks. The filter options are amazing, you can screen stocks by literally every available criteria (from detailed financial ratios, technical analysis patterns, etc).
