The Popular Investor program is unique to eToro, developed on top of the CopyTrader feature. It is a platform that enables successful investors to build up their business by sharing their expertise and expanding their assets under management (AUM), the amount of money copying you, on the eToro platform.

Crypto arbitrage helps traders take advantage of the price difference by buying cryptocurrency from one exchange and selling it on another immediately. Cryptocurrency trading is quite difficult, and there are several risks involved, mainly due to the volatility of the crypto market. You never know when the prices may soar or dropdown.
