QUICK GUIDE: How to buy Bitcoin with Credit Card Go to the CEX.io website Register using your email

and confirm your account with your phone number. Input your proof of identity, country of residence, select your form of identification and upload photos of your documents. Take a selfie of yourself holding the document and upload the photos.

What are the fees on Coinbase Pro? Trading Fees. Coinbase Pro uses a maker-taker fee model for determining its trading fees. Orders that provide liquidity (maker orders) are charged different fees than orders that take liquidity (taker orders). Fees are calculated based on the current pricing tier you are in when the order is placed, and not on the tier you would be in after a trade is completed. Your fee tier is recalculated hourly based on your total trading volume.
