IMO, kraken is the best exchange. It's the mix of many factors: They don't have as many altcoins as Binance but still many, they offer staking for some coins (although not many and not the best rates), they are a registered company in a country with a solid legal system and with real offices and known people (unfortunately that means you need to do their terrible KYC process), you can buy .

CEX.io stands as one of the safest and most reputable crypto exchanges. While their fees might not be as low as those of Poloniex, for example, the platform surely ticks the best part of our criteria. They also have fantastic customer support and take security issues very seriously which lands CEX.io a spot on this list.

These exchanges are private companies that offer platforms to trade cryptocurrency. These exchanges require registration and identification, known as the Know Your Customer (or Know Your Client).
