Like with many cryptocurrency exchanges, Binance provides a huge amount of information. This can be overwhelming for beginners who are looking to get started buying and selling crypto quickly. The account creation process can be lengthy, and even the basic dashboard contains a substantial amount of information. Binance is the best exchange that I have found so far, easy to use, low fees and lots of great opportunities to earn extra staking and trading. They have a huge amount of crypto currencies on offer too. Unfortunately because of regulations you are unable to cash out into your bank account. I can't wait for them to sort this issue out.
